Corporate Partners,

We are contacting you concerning the 10th Annual Industry Days in Alaska. Our Event will include Industry partners, an Education and Employment Fair, and a Resource fair over two days for the Alaska National Guardsmen and their families. We continue to grow as the show and efforts of last year's sold-out event.

Industry Day is held at Joint Base Elmendorf-Richardson (JBER), Alaska, on *May 17 and 18, 2024*. During May's Regular Scheduled Drill, the JBER event will be held at the Joint Forces Headquarters on the drill hall floor. This event will allow your organization maximum exposure to our members, their families, and the entire breadth of our senior leadership, both officers and enlisted within the Army and Air Guard.

The Alaska National Guard Enlisted Association, ANGEA, supports over 4,000 members and has some of the finest Soldiers and Airmen in the Alaska National Guard. Many of our brave members of the Alaska National Guard have put themselves in harm's way to serve their state and country, and through these days, we want to recognize and reward them for all of their hard work.

Industry Day Vendors, this will be a good time for your company to show its new products to the Alaska National Guard senior leadership. The Army and Air National Guard will deploy units in the upcoming year.

Education Fair Vendors, this will be a crucial time for your institution, agency, and organization to be present and offer Guardsmen and families access to a postsecondary education experience and career exploration. Helping with the College Admission and Enrollment Process, Financial Aid, and more.

Job Fair Vendors, this will be an excellent time for you to see and recruit some of the most exemplary members and families of the Alaska National Guard into your companies. As you know, the benefits of hiring a veteran are their strong work ethic, the ability to be a team player, and ingrained leadership traits.

Resource Fair will be a convenient way for organizations that support veterans and their families to share their information, programs, and activities.

Additionally, we will invite the Army, Air Force, Marine Active duty, Army, Navy and Air Reserves, US Coast Guard, AK State Defense Force, and State of AK leadership, members, and families to attend our Industry Days.

ANGEA would greatly appreciate it if your company, institution, agency, or organization joined us at our Industry Day. Please consider becoming corporate sponsors and supporting our organization and upcoming events. I have attached the corporate sponsorship levels for your consideration.

We hope to count on your contribution to making this event even more successful. For more information and to register for a display at our events, please visit our website (<https://angea.org/sponsorship>).

I look forward to speaking with you concerning this request. If you have a question, please contact us by email to discuss any questions about the events, sponsorships, donations, or booths.

Warm regards,

A handwritten signature in cursive script that reads 'Kenneth Nydam'.

ANGEA Industry Day's

Registration

<https://angea.org/sponsorship/>

Closes on Saturday, March 31st, 2024

Corporate Partners Sponsorship

ANGEA offers six sponsorship levels, Bronze, Silver, Gold, Platinum, Diamond, and Titanium, with costs ranging from \$550 to \$5000. With each level of support, your business will have the opportunity to have an exhibit space to display the company's products and services.

Community Partner Sponsorship

Non-profit organizations are welcome to join for a no-cost booth. Organizations will be placed on a waiting list (first come, first serve) for a booth. Please complete the form and select "other" underpayment to register. With booth availability, we will contact organizations around April 1st, 2024.

Booth: Consists of pipes and drapes and will be 10'x8' with one 8' table and power outlets.
